

## Our COVID-19 Policy

Zuleika Gallery is committed to the safety and wellbeing of staff and visitors. To ensure that the safety and security of everyone is prioritised, we are implementing changes throughout the Gallery through limiting numbers in the spaces, and through the use of PPE (Personal Protective Equipment). All processes will be continually reviewed and adapted according to government safety directives to ensure your peace of mind.

### Adaptations:

1. We have limited the number of people in the gallery to six maximum at one time. Please check upon entering, if the gallery is full we kindly ask for you to return later or to book an appointment.
2. We are limiting staff in gallery areas and office spaces.
3. We are offering time slots for visitors and for those who consider themselves at greater risk to limit capacity and interaction. Appointment booking links are available on our website.
4. We have installed the official NHS COVID-19 QR code located inside the gallery entrance. Scan this with your smartphone app to check in to assist track and trace.
5. Our Private View events are now arranged by individual appointments and limited capacity.
6. We support social distancing among visitors. Zuleika Gallery Woodstock will be open daily and we welcome drop in visits, observing current regulations around social distancing. Zuleika Gallery London is open by appointment only. Viewings can be booked online through the gallery's website. [www.zuleikagallery.com](http://www.zuleikagallery.com)

### Administrative:

1. If you or a member of your household have symptoms of coronavirus including a new, persistent cough, a fever and loss or change to your sense of smell or taste, we kindly ask you to not visit the gallery or re-book your visit.
2. We have increased the frequency of cleaning in the Gallery.
3. Hand sanitiser dispensers are stationed at the entrance to the Gallery.

PPE in the gallery:

1. Following updated Government's guidelines, the mandatory wearing of face coverings for all visitors to the Gallery will take action from Friday 24th of July. Visitors are encouraged to use hand sanitiser at the entrance on arrival and observe government guidance on wearing face coverings.

Zuleika Gallery's team continues to work towards a programme that engages with art and ideas in these difficult times. We are running a series of online talks, and openings and developing videos including interviews with artists and studio visits.

To keep up to date with our programme of activities and exhibitions, please join us online by signing up for our newsletters; visiting our website; our YouTube; and following us on Instagram, Twitter and Facebook.

In the meantime, keep well and safe, and don't hesitate to get in touch.

We look forward to welcoming you. Thank you,

Zuleika Gallery
